Dear Valued Customer/Carrier,

We're writing to share an important update regarding Eagle Eye Logistics and Commodity Transportation Services (CTS).

For more than 10 years, Eagle Eye Logistics and CTS have worked closely as sister companies to support your transportation needs. To streamline systems and improve efficiency, we are bringing these teams together under one unified operation.

The good news is that nothing is changing when it comes to the people or service you're used to. You'll continue working with the same contacts and teams you know and trust. CTS will continue to operate as an assumed business name for operational purposes, while all shipments will now move under a single Motor Carrier number.

New MC# MC-325275 (Eagle Eye Logistics)

Please update your records to reflect this change.

Our commitment to reliable service and strong partnerships remains the same, and we're confident this move will allow us to serve you even better moving forward. If you have any questions, please don't hesitate to reach out.

Thank you for your continued partnership.
